

FREQUENT FABRICARE ENROLLMENT FORM

All LSC customers are participants in our **FREQUENT FABRICARE (FF) PROGRAM** that lets you earn FF points with every order you bring to Lee's Summit Cleaners.

Here's how the program works:

- You earn 1 FF Point for every \$1 spent in Laundry or Dry Cleaning performed by Lee's Summit Cleaners.*
- Once you have earned 125 points, you will receive a \$25 Voucher Pak with instructions on how to redeem the vouchers on future orders.
- To get you started, we are providing you the first \$25 Voucher Pak on us! Just complete and print this form and bring it with your next order to one of our four locations.
- When used consistently, you can earn up to **20% off** all your future laundry and dry cleaning orders with Lee's Summit Cleaners.
- Voucher Paks are also available for purchase for friends or family. The price is \$12.50 and can only be paid with a check made out to Hope House. All of these proceeds will be forwarded to Hope House for their important mission.

*FF Points accrue only for laundry and dry cleaning. Vouchers can only be used on future orders and must be accompanied with the incoming order. Household items, leathers, wedding dresses and alterations are not included in this program.

Frequent Fabricare (FF) points will begin to accumulate once we receive the information below with your next order. This information is needed to track enrollment and will allow us to monitor usage for future improvements to the program.

Customer Name: _____ Telephone Number: _____

Email Address: _____
(Needed for email-only specials – we do not share this information with anyone!)
